# It's Pre-School Storytime!

Dear Parents:

Woodworth Library warmly welcomes you and your children to participate in our Pre-school Story Hour. A series of fun and encouraging educational and reading activities are planned for children ages 2-5. The theme for our fall program is "Reading is Dyno-Mite!"

Early exposure to reading encourages and promotes a love of learning in children and higher success rates in school. Please join us in motivating new readers!

Story hour will be held every **Wednesday, 13 September 2006 through 19 April 2007** from **11:00-12:00** for ages 2-5.

#### Library hours are:

Sat, Sun, and Mon	1030-1800
Tues, Wed, and Thurs	0900-2000
Fri & Holidays	CLOSED

For additional information, please contact Joyce Daniels or Jean Ballejo at 791-7323.
